We offer service and repair on FELCO manual tools.

Service includes cleaning, adjusting, sharpening and lubricating. All parts replacement will be charged on top of our regular service fees.

We charge \$20.00 for regular service. This amount includes freight charges to return your tool. Please send your FELCO tool, via courier or USPS. Prior to repairs being rendered, an invoice will be e-mailed or mailed to you detailing repair costs with a request for payment in full by Visa, Mastercard, or check.

Please state the reason for the repair:
